Advancing a Connected World

We're Looking For
The Best People
To Join The Best Team

iDirect – Join the best in the business!

When you join iDirect, you become part of a talented, global team of professionals all dedicated to leveraging iDirect's innovative satellite communications technology to help customers solve real world business problems.

iDirect values the creative, entrepreneurial spirit in every employee — and when that's combined with the inspiration that comes from being part of a team of smart, dedicated people, the sky's the limit. Everyone here has a stake in the success of iDirect.

iDirect offers an excellent compensation package, including competitive salary, a 401(k) plan with employer match, quarterly bonus opportunities, comprehensive medical insurance and tuition reimbursement.

If you're ready to be an integral part of a fast-paced, dynamic organization where teamwork and individual contributions are recognized and rewarded, please apply online at www.idirect.net.

We're advancing a connected world

IP satellite technology maximizes the potential of networks everywhere, delivering fast, non-stop connectivity that people and organizations depend on.

iDirect brings innovation, integration and intelligence to satellite-based IP communications. We take global IP networks anywhere, enabling people to better connect and collaborate. Access information. Track assets. Improve productivity. Build economies. Accelerate commerce. Expand exploration.

Today, iDirect advanced technology is revolutionizing satellite communications throughout the world, trusted by businesses and government alike to support the most critical IP applications.

Right now, in countless ways that reach people and organizations all around the globe, iDirect is advancing a connected world.

A great place to live and work

Fairfax County is a world-class business location and the heart of the Northern Virginia and Washington, D.C. area technology community. Made up of dynamic companies, well-educated and highly-skilled residents, excellent school systems and cultural amenities, Fairfax County is one of the most desirable places to live and work in the United States.

If you're looking for an opportunity working with cutting-edge technology in a fast-paced environment that rewards teamwork and individual contribution, your opportunity is waiting at iDirect.

www.idirect.net

iDirect's location places it in close proximity to major airports, cultural attractions, educational institutions and museums as well as the heart of the business community.
